2ROW-RAHR-1	Rahr Malt	Standard 2 Row Malt	US	2 Row Barley	1.7 - 2.0	1	Lbs	Poly Bag	\$ 1.99	\$ 1.99	Rahr Standard 2-Row is a light-colored base malt made from a blend of North American 2-Row barley varieties. Darker than most lager malts, but lighter than most pale ale malts. It has moderate protein levels, and high extract yield. Its neutral characteristics make it extremely versatile, and it is widely used by North American craft breweries as their standard base malt for any beer style. Malted in Shakopee, Minnesota, USA.
